**§ 831.673 Rates of child annuities.**

(a) (1) The rate of annuity payable to a child survivor whose annuity commenced before February 27, 1986, is computed in accordance with the law in effect on the date when the annuity began to accrue, unless the rate of annuity is recomputed under paragraph (e) of this section on or after February 27, 1986.

(2) The rate of annuity payable to a child survivor whose annuity commenced on or after February 27, 1986, or was recomputed under paragraph (e) of this section on or after February 27, 1986, is computed under paragraph (b), (c), or (d) of this section.

(b) Except as provided in paragraph (a) of this section, the rate of annuity of a child survivor is computed under section 8341(e)(2) (i) through (iii) of title 5, United States Code, with adjustments in accordance with section 8340 of title 5, United States Code, when the deceased employee, Member or annuitant was never married to a natural or adoptive parent of that surviving child of the former employee or Member.

(c) Except as provided in paragraphs (a) and (b) of this section, the rate of

annuity payable to a child survivor is computed under section 8341(e)(2) (A) through (C) of title 5, United States Code, with adjustments in accordance with section 8340 of title 5, United States Code, whenever a deceased employee, Member, or retiree is survived by a natural or adoptive parent of that surviving child of the employee, Member, or retiree.

(e) On the death of a natural or adoptive parent or termination of the annuity of a child, the annuity of any other child or children is recomputed and paid as though the parent or child had not survived the former employee or Member.

REGULATIONS PERTAINING TO  
NONCODIFIED STATUTES

**§ 831.681 Annual notice required by Public Law 95-317.**

At least once every 12 consecutive months, OPM will send a notice to all retirees to inform them about the survivor annuity elections available to them, under sections 8339(j), 8339(k)(2), and 8339(o) of title 5, United States Code.

[56 FR 16263, Apr. 22, 1991, as amended at 58 FR 43493, Aug. 17, 1993. Redesignated at 58 FR 52882, Oct. 13, 1993]

**§ 831.682 Election by a retiree who retired before May 7, 1985, to provide a former spouse annuity.**

(a) A retiree who retired before May 7, 1985, including a retiree receiving a fully reduced annuity to provide a current spouse annuity, may elect a fully reduced annuity or a partially reduced annuity to provide a former spouse annuity.

(b) The election should be made by letter addressed to OPM. The election must—

- (1) Be in writing; and
- (2) Agree to pay any deposit due under paragraph (c) of this section; and
- (3) Be signed by the retiree; and
- (4) Be filed with OPM before September 8, 1987.

(c)(1)(i) If a retiree who is receiving an insurable interest annuity elects a fully reduced annuity or a partially reduced annuity under this section to benefit the same person, the insurable interest annuity terminates. A retiree who is receiving an insurable interest annuity at the time that an annuity is elected under this section does not owe any further deposit.

(ii) If a retiree who had been receiving an insurable interest annuity, which was terminated to elect a reduced annuity to provide a current spouse annuity for a spouse acquired after retirement, elects to provide a former spouse annuity for a former spouse who was the beneficiary of the insurable interest annuity, the retiree must deposit an amount equal to the sum of the monthly differences between the self-only annuity and a fully reduced annuity or partially reduced annuity (with the same base as elected to provide the former spouse annuity) from the date the insurable interest annuity terminated, plus 6 percent annual interest, computed under § 831.105, from the date to which each monthly difference is attributable.

(2) A retiree who elects a fully reduced annuity or a partially reduced annuity under this section, to provide a former spouse annuity for a former spouse for whom the retiree had elected (during the marriage to that former spouse) a reduced annuity to provide a current spouse annuity, must deposit an amount equal to the sum of the monthly differences between the self-only annuity and the amount of annuity that would have been in effect had a fully reduced annuity or partially reduced annuity (with the same base as elected to provide the former spouse annuity) been in effect continuously since the time of retirement, plus 6 percent annual interest, computed under § 831.105, from the date to which each monthly difference is attrib-

utable, except that the retiree will not be charged for any period during which the survivor reduction was in effect for that former spouse.

(3) A retiree who elects a fully reduced annuity or a partially reduced annuity under this section, and is not covered under paragraph (c)(1) or (c)(2) of this section, must deposit an amount equal to the sum of the monthly difference between the self-only annuity and a fully reduced annuity or a partially reduced annuity (with the same base as elected to provide the former spouse annuity) since the time of retirement, plus 6 percent annual interest, computed under § 831.105, from the date to which each monthly difference is attributable.

(d) If a retiree who is receiving a fully reduced annuity or a partially reduced annuity to provide a current spouse annuity elects a fully reduced annuity or a partially reduced annuity under this section to provide a former spouse annuity, the annuity will be reduced separately to provide for the current and former spouse annuities. Each separate reduction will be computed based on the self-only annuity, and the separate reductions are cumulative.

(e)(1) In response to a retiree's inquiry about providing a former spouse annuity under this section, OPM will send an application form. The application form will include a notice to retirees that filing the application constitutes an official election which cannot be revoked after 30 days after the annuity check in which the annuity reduction first appears.

(2) If the retiree returns the application electing a fully reduced annuity or a partially reduced annuity under this section, OPM will notify the retiree of—

- (i) The rate of the fully reduced annuity or partially reduced annuity; and
- (ii) The rate of the potential former spouse annuity; and
- (iii) The amount of the deposit, including interest, that is due as of the date that the annuity reduction is scheduled to begin; and
- (iv) The amount and duration of installment payments if no deposit is made.

(3) The notice under paragraph (e)(2) of this section will advise the retiree

that the deposit will be collected in installments under § 831.665, unless lump-sum payment is made within 60 days from the date of the notice.

(4) OPM will reduce the annuity and begin collection of the deposit in installments effective with the first check payable more than 60 days after the date on the notice required under paragraph (e)(2) of this section.

(f)(1) A retiree who made an election under this section prior to September 9, 1986 may modify that election by designating a lesser portion of the retiree's annuity be used as the base for the annuity reduction and the former spouse annuity.

(2) Any modification under paragraph (f)(1) of this section must be in writing and received in OPM no later than the date provided for applications in paragraph (b)(4) of this section.

(g) The annuity reduction resulting in a fully reduced annuity or partially reduced annuity to provide a former spouse annuity under this section terminates on the first day of the month after the former spouse remarries before age 55 or dies.

(h) A former spouse is eligible to receive only one survivor annuity based on the service of one employee or Member.

(i) If a former spouse is entitled to a former spouse annuity based on an election under this section, but absent that election would have been entitled to a former spouse annuity under § 831.683 (i.e., filed a timely application as well as meeting all other requirements), the amount of the former spouse annuity payable will equal 55 percent of the annuity of the retiree on whose service the survivor annuity is based.

**§ 831.683 Annuities for former spouses of employees or Members retired before May 7, 1985.**

(a)(1) The former spouse of a retiree who retired before May 7, 1985 (or of an employee or Member who died before May 7, 1985, was employed in a position covered by CSRS at the time of death,

and was eligible to retire at the time of death), is entitled, after the death of the retiree, employee, or Member, to a survivor annuity equal to 55 percent of the self-only annuity of the retiree on whose service the survivor annuity is based if the former spouse, at the time of application, meets all of the following requirements:

(i) The former spouse's marriage to the retiree, employee, or Member was dissolved after September 14, 1978, and before May 8, 1987. The date of dissolution of a marriage is the date when the marriage between the former spouse and the retiree, employee, or Member ended under the law of the jurisdiction that terminated the marriage, rather than the date when restrictions on remarriage ended. The date of entry of the decree terminating the marriage will be rebuttably presumed to be the date when the marriage was dissolved.

(ii) The former spouse was married to the retiree, employee, or Member for at least 10 years of the retiree's, employee's, or Member's creditable service. Creditability of service is determined in accordance with section 8332 of title 5, United States Code, and subpart C of this part.

(iii) The former spouse has not remarried before reaching age 55.

(iv) The former spouse applies to OPM for a survivor annuity, in accordance with paragraph (b) of this section and § 831.643(b), before May 8, 1989.

(v) The former spouse is at least 50 years old on May 7, 1987, and when filing the application.

(2) A former spouse who is not eligible for an annuity under paragraph (a)(1) of this section and who is the former spouse of a retiree who retired before May 7, 1985 (or of an employee or Member who died before May 7, 1985, was employed in a position covered by CSRS at the time of death, and was eligible to retire at the time of death), is entitled, after the death of the retiree, employee, or Member, to a survivor annuity equal to 55 percent of the self-only annuity of the retiree on whose service the survivor annuity is based if the former spouse, at the time of application, meets all of the following requirements:

(i) The former spouse was married to the retiree, employee, or Member for at
